Welcome to the Rotary Club of Rossland

Seeking Youth Applicants for "Adventures in Citizenship" (Ottawa) and "Adventures in Technology" (Saskatoon): DEADLINE for apps is Feb 15, 2016

Rossland Rotary is currently seeking applicants to go to Ottawa for Adventures in Citizenship and Saskatoon for Adventures in Technology this spring to participate in these unique 3-4 day opportunities. A limit of 200 students from all over Canada will go to Adventures in Citizenship, and a limit of 37 students from Western Canada will go to Adventures in Technology. The Club can sponsor one student per event.

DEADLINE for applications is Feb 15, 2016, contact Steve Cutt for the application and more details : scutt@nelsoncu.com

At Adventures in Citizenship, select young Canadians come together to gain a better understanding of our country. Through meetings with political leaders, senior officials and others, they learn a great deal about the workings of our democratic institutions. Through meeting one another and having discussions among themselves, they learn to appreciate the diversity of Canada and the privileges and responsibilities of Canadian citizenship.

At Adventures in Technology, select high school students participate in an intense exploration of advanced technology, research, development and applications. Participants will be able to open the doors to an exciting array of some of Canada's finest corporations and research facilities including the University of Saskatchewan, Areva Resources Ltd, Potash Corporation of Saskatchewan and the Canadian Light Source Synchrotron to name just a few.

All program fees, airfare, and lodging are paid by Rotary Club of Rossland and its sponsors: Nelson District Credit Union (NDCU), Kootenay Association for Science and Technology (KAST), and Nuclear Medicine services at Kootenay Boundary Regional Hospital (KBRH).

Many thanks to our generous sponsors!

Meetings

The Club meets Mondays, 6:15pm, Rock Cut Pub, Rossland, BC, Canada.

We welcome you to attend a club meeting to visit and learn more about us, propose a project, make a presentation, or contribute to a particular project. The club is not affiliated with any particular religious or political organization (there is no secret handshake!), and we always appreciate the opportunity to get to know community-minded and service-oriented people who like the idea of "giving back" to one's community.

To attend a meeting, reply to this email to contact our current President, Fred Behrens. He will be able to confirm the meeting date, time and place.
